Seven Hills Syrah

THE STORY OF SEVEN HILLS SYRAH

After a long day of adventuring, sit down and soak in the day with Seven Hills Syrah. A bold, balanced wine with distinctive blue fruit on the nose. A splash of pomegranate and cranberry brings this wine to life, while violet and floral components create a rare, soft, and velvety feeling.

With a distinctive lingering finish, it invites you to lean back and take another sip.

SAVOR THE MOMENT
WITH SEVEN HILLS.

VINEYARD

In the Southeastern corner of Washington State, just past the Oregon border, lies the home of this Walla Walla Syrah. A place where windblown marine sediment parcels and fractured basalt define the landscape. Rocky soils and a cool climate create a wine with a dusty character on the finish.

Varietal:

100% Syrah

Harvest Date:

9/9/2020

Bottling Date:

4/14/2022
